

## VPBank Start-Up Recruitment Day at DTU

On October 7th, the Vietnam Prosperity Bank held a VPBank Start-Up recruitment day at DTU.

*Dr. Nguyen Hui Phu, DTU Vice-Provost*

Founded in 1993, VPBank has 215 branches and 500 ATMs across the country, with 3.3 million customers and a staff of 11,000. The bank is famous for its dynamism, stability and responsibility to the community.

Mr. Nguyen Hoang Tu, Talent Acquisition Director of VPBank, said: *“As VP Bank continues to progress and expand, we will need to recruit more graduates to work in an advanced working environment with excellent pay. This requires students to focus on sustained effort in their studies and practical work. VPBank employs graduates with ambition, determination and dedication, and conducts specialized in-house training courses. We are confident that DTU will always continue to provide us with well-educated, professional recruits as the university is constantly expanding its international partnerships and internship career programs to enhance the quality of education.”*

*DTU students*

*Khanh Vy said: “It takes quite a while for most students to get used to a new study environment. At DTU, I learned from qualified and dedicated lecturers and proactively participated in social activities and student exchanges to improve my social skills. DTU students have built their own brand name to gain the trust and respect of future employers.”*

Year after year, many companies come to recruit at DTU and many graduates now hold high-level management positions in large organizations and government agencies. Today we plan to offer 35 new jobs, 10 as Personal Financial Managers, 5 as Priority Relationship Managers and 20 as Personal Financial Advisors.
