Then Mr. Yap talked about “How to Succeed in Finance”. He shared with DTU students his experiences in career development, how to keep pace with global integration and how to devise collaborative and other strategies. He also gave practical examples of risk-taking.

Interesting questions about recruitment and the skills required to work in Finance were raised by DTU Accounting students. Nguyen Van Loi, of K21KDN1, said: *“I have learnt a lot of from the seminar, which will help me in my career planning.”*

Finally Mr. Lam Quang Tuan, Sales Manager of CPA Australia explained the CPA program and the advantages of becoming a member. A CPA is a Finance, Accounting and Business professional with specialized qualifications, a sound knowledge of the principles of Accounting and high competence. On completing the program, members become part of one of the most prestigious Accounting associations in the world.
