

A Cultural Exchange with Burapha University in Thailand

On December 27th, the DTU Exchange Student office held a Cultural Exchange for DTU students of the International School, Tourism & Hospitality, Foreign Languages and the Pharmacology faculties, with Burapha University in Thailand. After some warm-up activities to get to know one another, DTU students showed a video on the Vietnamese culture, traditional dress, food and famous locations in Danang. Burapha University students shared information about Thai cuisine, and its abundance of delicious flavors. They then performed some traditional Thai dances to convey a clearer understanding of their culture.
