In the first six minutes, Mr. Tran Van Lam scored the first goal for DTU. Cheers and applause from the spectators inspired the DTU team to play harder with pass the ball exactly. DTU team was considered the stronger side, so the Danang University of Education had difficulty scoring.

At fulltime the teams had drawn at 2-2. They then had to play penalties to find the winner. Eventually, DTU won the championship after scoring 5 goals above the other team. "After much practice, this is the result we expected. DTU played very hard as in the first half, too little advantage. However, we changed the strategy in the second half to keep the score even. I think DTU deserves the championship for their efforts", said Mr. Le Duc Trong, Manager of the DTU Center of Physical Education and National Defense.

The Huda Cup Students' Football Tournament is held every year as a way of improving students' awareness of the necessity to do exercise. This was also an opportunity for local students to meet and get to know each other. The DTU team will represent Danang in the final round of Central Vietnam, to be held in Vinh in May.
