

DTU Hospitality Majors – Experience a Dynamic Study Environment and Become a Star

Ninety-eight percent of DTU Hospitality graduates find jobs immediately, which is a testament to the high quality of education and why the university welcomes greatly increasing numbers of applicants every year.

Collaborations that meet international standards

According to the National Administration of Tourism (Ministry of Culture, Sports and Tourism), the three-year average (2016–2019) growth of the Hospitality sector is 22% and Vietnam is one of the top ten countries with the fastest growth worldwide. Eighteen million foreign visitors arrived in 2019 and the 2020 objective is 20.5 million, plus an additional 90 million domestic tourists.

Just ensuring a sufficient quantity of Hospitality staff to satisfy this increasing requirement is essential but not sufficient, because their quality and professionalism must also be improved significantly. However, DTU has developed diverse Hospitality majors over the years to meet such requirements, including:

- Tourism & Hospitality Management
- Tourism & Travel Management
- Events & Entertainment Management
- PSU Tourism & Restaurant Management
- PSU Tourism & Hospitality Management

- Troy Tourism & Hospitality Management.

DTU has collaborated with Pennsylvania State University (PSU), one of the five leading universities in Management and Hospitality, to share and provide advanced, new and effective international education programs, and with Troy University to implement a Tourism & Hospitality Management program in Vietnam for an American degree. The university also partners with other well-known universities in the US, the UK and South Korea and with Vietnamese hospitality companies to develop foreign partnerships, overseas exchanges and global internships.
