

DTU Launches “Startup Wheel 2014” Contest

The Startup Wheel 2014 competition was organized by DTU to assist young people interested in starting up their own businesses. The Danang Association of Small and Medium Business recommended gifted candidates to participate in the program entitled: [“The Top 100 Potential Businessmen and Women”](#).

Join the "Startup Wheel 2014" Contest

The “Startup Wheel 2014” contest is an opportunity for young students in Danang and Quang Nam to put their business skills into practice. Each candidate or group will present an innovative business startup concept and their strategy to develop and promote it in the local community. Their submissions will be voted for on the internet and evaluated by judges.

Contestants will have opportunity to win valuable prizes and sponsorships from local businesses to make their ideas a reality. DTU students with the best business proposals will be eligible for participating in “Top 100 Potential Businessmen and Businesswomen” program. This program is designed to accelerate business growth in Danang by inspiring and motivating young local entrepreneurs. Participating students will have the opportunity to win scholarships and be hired for part-time jobs at SME - DATADC. They will learn from successful business people and become empowered to create their own business projects.

Join the “Startup Wheel 2014” contest to experience professional working environments and make your business dreams come true. This is your starting point to a bright future. Registration dates are from 3/9/2014 to 31/10/2014.
