

DTU Nursing Faculty Celebrates Vietnamese Teacher's Day

On November 15th, the DTU Faculty of Nursing celebrated the 33rd anniversary of Vietnamese Teacher's Day, when generations of students of Nursing express their gratitude to their teachers.

Food stands

The lecturers shared happy moments with their students. They enjoyed delicious food prepared by the students themselves, watched them playing games together, listened to them singing lovely songs and telling traditional stories.

Nursing lecturers and students

They sang songs which praised their teachers and their love of Vietnam. *“We consider teachers as our second parents, who always give us sound advice about our studies and future careers. We will all work hard to meet their expectations”*, said Nguyen Hien Minh of K20 YDD2.

Despite many challenges, DTU lecturers always make sustained efforts to help their students to become succeed.
