Dr. Nguyen Huu Phu, DTU Vice Provost, said: *"Founded in 1994, DTU makes the most of its strengths to become a multi-level, multi-disciplinary university. The DTU system of education and diplomas is diversified, providing students with many study options, from Associate Bachelor's Degree to Ph.D Degree with two majors - Computer Science and Business Administration. DTU frequently develops its education areas such as IT, Business Administration, Foreign Languages, Tourism & Hospitality, Electronics, Civil Engineering, Pharmacology, Nursing, Literature-Journalism, and International Relations. DTU has partnered with many well-known universities in America to import internationally-standardized academic programs. The signing ceremony of the collaboration agreement will provides DTU students with good opportunities to better understand about Financial Banking so that they can prepare well for their future careers."*

Ms. Nguyen Thi Mai Huong - VPBank Central Regional Director- said: *"I am delighted at this partnership signing ceremony. 20 years ago, when I graduated, I felt so confused looking for a job. However, thanks to my mother's advice, 'If you have faith you will have everything', I was confident and strong enough to stand on my own and gained success. You should take pride in studying at DTU, one of the most prestigious private universities in Vietnam. I have offered jobs to a lot of DTU students and I found that you are so confident and skillful. VPBank wants to recruit highly qualified employees for the development of the bank and for better values for people."*

As one of the earliest-established Joint-stock Commercial banks in Vietnam, VPBank has achieved a steady development throughout its history. Especially since 2010, VPBank has grown dramatically with the diligent development and implementation of the strategic transformation program with support from one of the world's leading consulting companies. Following this strategy, VPBank aims to become one of the 5 leading joint-stock commercial banks, and one of the 3 leading retail joint-stock commercial banks in Vietnam by 2017. The support for the implementation of the above strategy is the VPBank corporate culture, which is nurtured and built on six core values: Customer Focus; Productivity; Ambition; People Development; Trust; Make the Difference. VPBank believes that its above-mentioned vision and strategy will help the Bank to achieve its mission to maximize customers' benefits and contribute effectively to community development.
