

DTU Welcomes Thousands of New K17 Students

On 16th September, 2011, thousands of new incoming students arrived at DTU to complete their enrollment.

Early that morning, the campus was crowded with students and parents from all over the region. They were warmly welcomed by the DTU staff. Students were very impressed by the speed of the enrollment process, completed quickly and efficiently under the watchful eye of DTU representatives.

New students receive expert guidance during their enrollment

With the motto “*All For Student Rights*”, DTU students have the right to change their majors if necessary. Also, a team of DTU lecturers and staff is always ready to help students choose majors appropriate to their abilities.

Tran Thanh Ha, a freshman in the Business Administration Department said: “*The DTU lecturers make me feel very comfortable in completing my enrollment without any problems*”. A parent from the Highlands added: “*Thanks to the expert guidance of the DTU staff, my son decided to join the CMU program. The simple process reassured me that DTU was the best choice for us*”.

After enrollment, new students were taken on a tour by members of the DTU Youth Union. “*The size and modernity of Duy Tan University exceeded my expectations. I am amazed by DTU’s well-equipped library. The wide range of publications will assist me greatly in my studies*”, another one exclaimed.

Students start the new academic year on September 19th with a course in politics. The big enrollment is a positive lead-in to the new academic year.
