This was an opportunity for FDTU members to meet and exchange new ideas for 2012, whilst taking part in a variety of team games, including water pouring, tug of war and so on. They all had a great time playing and sharing gifts.

Shorn, a FDTU member said: *"I really had a memorable day. I love FDTU"*.

Since December 2009, FDTU membership has increased by 66,000 with over 110,000 locations. This has allowed DTU lecturers and students to keep in touch with those at other universities across Vietnam.
