

Forum of Duy Tan University (FDTU) - New Year's Offsite Meeting

On 6th March, 2011, the FDTU management team celebrated the New Year with an offsite event at 29/3 Park. This was an opportunity to meet and exchange new ideas for 2011.

FDTU "Tug-of-War"

After a discussion of plans for 2011, attendees were divided into teams. As well as strenuous contests, including tug-of-war, on-land boating and so on, there were also some fun games for everyone to enjoy and provided a great opportunity for people to mix and get to know each other better. This friendly opening event promised that 2011 will be a busy year, full of many new interesting and worthwhile challenges.

Established in September, 2009, FDTU now has almost 25,000 members and has become and has become a place for DTU students to make friends and share experiences with each other.
