

Join the Microsoft Azure Developers' and Xamarin Camp at DTU

Are you a technology enthusiast looking for an opportunity to experiment with the latest software applications? Do you want to train with international experts? If so, please join us at the unique "Microsoft Azure Developers' and Xamarin Camp", which will take place on Wednesday September 24th in Room 702- K7/25 of the Quang Trung DTU campus. Microsoft technical gurus will help you make your dreams come true!

Come to the "Microsoft Azure Developers' and Xamarin Camp"

The camp will be held for software enthusiasts in the Central region, and will be hosted by the DTU Microsoft Innovation Center, in collaboration with Microsoft.

At the camp you will learn how to use the new Microsoft Azure features and services, including Microsoft Azure Virtual Machines, Websites and Visual Studio 2013. Then you will hear more about Xamarin, the world-class development tool for cross-platform mobile applications.

Attendance Requirements:

- You must pre-register for the course on the Microsoft Azure internet site at: <https://account.windowsazure.com>
- Then register at: 1drv.ms.
- And download a free 30-day trial Azure account from <https://azure.microsoft.com>

Some personal items you will need to bring to the camp are:

Your Microsoft Azure subscription, a laptop, your ID, a notebook and a pen.

For further information, please call Mr. Hieu at 0935999528 or e-mail: doantrunghieu@dtu.edu.vn or vpnguye@microsoft.com.

Come to the “Microsoft Azure Developers’ and Xamarin Camp” to test your skills, creativity and aspirations with the latest international software technology.
