

More Than 1,400 DTU Students Graduate

On the morning of 5th June, 2011, DTU held a formal graduation ceremony for 1,424 students of levels K12, K13 and K14 at the Trung Vuong Theater.

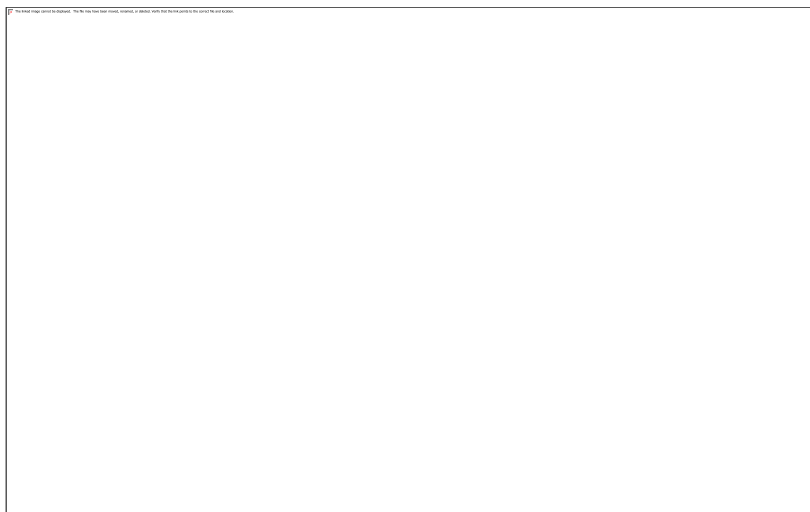

Graduates, parents, DTU lecturers and representatives of local companies attend the graduation ceremony

According to the final report by Dr.Vo Thanh Hai, DTU Vice Rector, there were 103 students graded as excellent, 536 graded as good, 707 graded as fair and 78 students with only average results. He said: *“Over 90% of DTU students graduated with high results because of the efforts of the entire DTU staff over the years. This demonstrates the high quality of the DTU teachers and students. These challenging economic times provide opportunities for graduates to prove their abilities. I hope you all can use your skills to create better lives for yourselves and others”*.

On behalf of the students’ parents, Mr. Nguyen Huu Dung expressed his thanks to all the DTU lecturers and staff: *“I am very pleased to observe the steady development of DTU in recent years. I congratulate DTU, as it is deserves to be the first and the biggest private university in Central Vietnam”*.

Mr. John Kenneth Blanco, General Manager of the Nam Hai Resort complimented the DTU students on their job performance there. He said: *“10% of our current staff graduated from DTU. Working in many different positions at the Nam Hai Resort, they have gained confidence in our management. It’s a pleasure for us to have graduates with excellent academic results starting work at our resort tomorrow. We always welcome DTU students”*.

Mr. Le Cong Co gives certificates to valedictorians

At the ceremony, the DTU Management Board awarded certificates of merit to 23 valedictorians and groups of students with high achievements in the National Mathematics Olympiad of 2011, the 2011 IT Gala, the Short Video contest about climate change and the students' "Beauty Through the Lens" competition.

For over sixteen years, DTU has enrolled more than 50,000 students at many levels. Every year, 18,000 engineers, architects and bachelors graduate from DTU. Most of them get jobs in various positions around the country.
