

## More than 260 scientists participate in the ICPA-8

On August 13th, DTU hosted the 8th International Conference on Photonics & Applications and the National Conference on Spectroscopy, in collaboration with the Institute of Physics of the Vietnam Academy of Science and Technology. Two hundred and sixty national and international scientists attended. More than one hundred and fifty papers were presented at the two conferences, demonstrating the aspirations and interests of researchers in Optics, Spectroscopy and Laser technology, Photonics Materials and Devices, Spectroscopy of Nano and Photonic Materials and their applications.

*Scientists at the conference*

The ICPA conference is organized every 02 years. The conferences provided a forum for world renowned researchers to stimulate and enhance interest in Photonics, Optics, Lasers, Optical Sensors, Spectroscopy and related topics.
