Mr. Vu Van Thinh, a DTU Foreign Languages lecturer, talked about Vietnam, its people and culture. Neither language barriers nor cultural differences have stopped the enthusiastic the students from discovering interesting facts and the hidden charms of many of the ASEAN countries.

Huynh Thi Kim Quy, from K19YDH10, said: *“With sincerity, enthusiasm and friendliness, we quickly got on well with the students from Taylor University. We hope that DTU will arrange many more events like this one so that we can practice our English, learn more about ASEAN and have happy experiences with new foreign friends.”*

The students visited tourist attractions in Danang, including the Linh Ung Pagoda, Marble Mountain, and Pham Van Dong Beach.

In addition, the visit allowed the DTU students to show off and promote the culture, people and sights of Danang and improve international tourism.
