Hoai Tram scored 26.5 in the 2014 Entrance exam and became a DTU Valedictorian at her first choice of university. She said: *"I learned about DTU through its website and previous DTU students. I know that DTU is one of the most prestigious universities in the Central region. Many DTU students are employed immediately they graduate. After taking a tour of the modern DTU campuses, I am no longer worried and am confident that DTU is the best place to study. I will try to exceed the already high expectations of my parents and also make my study-abroad dream come true. I am delighted and grateful to the DTU Board and Phi Long Electronics and Computers for their support."*

Awarding laptops to Valedictorians is one of the most important social activities of Phi Long Electronics and Computers. The company wants to recognize excellent students in Danang, help them to overcome their difficulties and steer them to future success.
