

Second Private Emulation Block Briefing Meeting

On March 24th, the second briefing meeting of the Emulation Block of Private Universities and Colleges in Danang took place at DTU Quang Trung campus. Attendees included Dr. Vo Thanh Hai, DTU vice provost and heads of private universities and colleges in Danang.

Dr. Vo Thanh Hai, DTU vice provost presides the meeting

Dr. Vo Thanh Hai stated that that annually the Emulation block of private universities and colleges has three official briefing meeting and some unofficial ones. According to members' ideas, the private emulation block was divided into two parts of universities and colleges.

Representatives of universities and colleges

Members unanimously approved the draft regulation of “Organization and activities of the emulation block of private universities and colleges in Danang”. In addition, Dr. Vo Thanh Hai presented results in 2016-2017 and drawn up a plan for the near future such as artistic and sporting activities to celebrate the 42nd anniversary of Danang’s liberation and day of liberating the South for national unification on April 30th and international labour day on May 1st.

As the leader of the Emulation block, DTU gained the trust of the other members by affirming its dedication to the improvement of education even more strongly.
