

The Hue Teaching College Visits DTU

On May 4, the DTU library and CSE center welcomed a delegation of thirty-four students from the Hue Teaching College, led by Mr. Hua Van Thanh, Manager of KLF E-Library.

DTU was a destination in Danang that the delegation wanted to visit, as the DTU library system is well-known for its modern equipment and book collections.

Mr. Nguyen Dang Quang Huy introduces about DTU

Mr. Nguyen Dang Quang Huy, the DTU CSE Manager and Ms. Tran Thi Thuy Kieu, the DTU Library Manager gave brief introductions about DTU and the library system.

Students of the delegation were then told about useful library management techniques. In particular, the e-library system attracted much attention. Ms. Phan Thi Thanh Na, a student at the Hue Teaching College said: “I am really impressed by the modern and convenient equipment and systems. We had a really good time visiting DTU and learned many new things. I am very interested in the e-library system at DTU”.

Mr. Hua Van Thanh, Manager of the KLF E-Library at the Hue Teaching College said: “We have learnt lot from this visit. The thing that makes DTU library such a good environment for all DTU students is the DTU Board of Rectors involvement and the excellent support of their qualified technical staff”.

Currently, DTU has two libraries at its two campuses, operated in an open e-library system. Those have contributed to create the perfect study environment for students.
