Manulife opened its first office here in June 1999 and is the only fully-owned life-insurance company in Vietnam. They offer a wide array of competitive products and services, from traditional ones to health, education, investment, pensions and others. Manulife is also the only life-insurer to have developed a micro-insurance program for poorer women in rural areas, in partnership with the Vietnam Women's Union, and has received Certificates of Merit from the Ministry of Finance, including a Vietnam Top Trade and Service Enterprise award in 2013.

Mr. Nguyen Thanh Hai gave a brief overview of Manulife Vietnam and life-insurance programs for students. He also gave advice on how to apply for a job in life-insurance, which ranks in the top five best-paid professions in Vietnam, required qualifications and job interview techniques. Manulife then interviewed applicants and offered jobs to eligible candidates.
