

The Opening of the DTU K14 Master's Program

On August 6th, DTU held the opening ceremony of the K14 Master's program. The DTU Board of Provosts, Deans, Directors of DTU Centers and prospective students attended.

Dr. Vo Thanh Hai

Over the past 22 years, DTU has made steady progress in its education and training mission, in both graduate and undergraduate programs. The Prime Minister of Vietnam and MOET approved DTU to teach Master's programs in 2009. In 2013, the University received permission from MOET to enroll Doctoral candidates in Business Administration and Computer Science. DTU is the first private university in Vietnam to offer Doctoral programs.

Dr. Vo Thanh Hai, DTU Vice-Provost, said: "Since its inception, through sustained growth, DTU has now evolved into a prestigious educational brand name. With these advanced programs, DTU will enable students to learn about the best ways of conducting research. We will do our best to help you succeed."

Tran Thi Thien Ngan

Mr. Ho Van Nhan of the DTU Graduate School announced a list of 116 Master’s candidates for the 14th course in Computer Science, Business Administration, Accountancy and Construction.

Tran Thi Thien Ngan, a K14 Master’s candidate in Business Administration, said:
“We would like to thank our well-qualified DTU lecturers for their enthusiastic support in passing the entrance examination and in our future studies. We will observe the course procedures and work hard to achieve the best results.”
